Charity From The Heart

Ever since its existence, the Old Newsboys' Goodfellow Association has followed this sincere slogan—Charity from the Heart.

And the old newsies are a group that knows what real charity means. Selling papers on Toledo streets when they were kids, they saw every type of life. Naturally they were quick to recognize the type of charity that counts.

Now as men they are banded together in an association that practices 100 per cent charity from the heart. Charity is behind their every action.

Thanks a Million, Toledo -

For forty-three years of confidence and understanding.

For your continued support of our Annual Charity Sales and

For Your support of our football game

For all this accept the grateful thanks of the Old Newsboys' Goodfellow Association who year after year administer this one hundred per cent charity with a one hundred per cent volunteer effort.

Your heart would be warmed if you knew the full story of help throughout the year to the needy school children made possible through your generosity.

NO RED TAPE

Three little words make the Old Newsboys' Goodfellow Association unique as a charitable organization—no red tape. These words are an underlying principle guiding them.

When aid is asked from our association, the application is immediately turned over to our own investigating committee headed by Fire Chief Roy Davis, Police Capt. A. W. Bernhagen and Gerald Cullen, County Recorder.

This committee goes into action at once to determine if help is really needed. Both public and parochial school authorities give them complete co-operation in their task.

WE HAVE AIDED THE SCHOOL CHILDREN FOR 43 YEARS

"CHRISTMAS IN NOVEMBER"

Friday, December 15th, the old familiar scene "BUY A PAPER, MISTER," will be enacted again.

Over one thousand firemen, police, labor and business men will march through the Toledo streets, shouting EXTRA-EXTRA-Buy a paper, it's for the kids.

Newell Kest, chairman of the paper sales, is making every effort to break all previous records, in celebration of the Association's 43rd Anniversary.

In 43 years since the first year of the Charity sales, the Association has grown in leaps and bounds and has continually sold more papers and has taken in greater amounts of money, until now it can easily be called "big business." Greater need - obtains greater support.

Toledoans in all walks of life who have helped to provide this sacred fund administered by the Old Newsies, as a One Hundred Per Cent Charity, and having no paid personnel, can justifiably feel proud and rewarded for 43 years, brought into the lives of our school's needy children.
